

PROCUREMENT POLICY

SECTION 501. PURPOSE AND AUTHORITY. The purpose of this Part is to outline the procurement policy of Albany County Industrial Development Agency (the “Agency”) adopted by the Agency pursuant to Section 858-a(2) of Title One of Article 18-A of the General Municipal Law (the “Act”).

SECTION 502. REVIEWING PROCEDURE.

(A) General. Every purchase to be made must be initially reviewed to determine whether it is a purchase contract or a public works contract. Once that determination is made, a good faith effort will be made to determine whether it is known or can reasonably be expected that the aggregate amount to be spent on the item of supply or service is not subject to competitive bidding, taking into account past purchases and the aggregate amount to be spent in a year. The following items are not subject to competitive bidding pursuant to Section 103 of the General Municipal Law: purchase contracts under \$10,000 and public works contracts under \$20,000; emergency purchases; certain municipal hospital purchases; goods purchased from agencies for the blind or severely handicapped; goods purchased from correctional institutions; purchases under State and county contract; and surplus and second-hand purchases from another governmental entity.

(B) Competitive Bidding. The decision that a purchase is not subject to competitive bidding will be documented in writing by the individual making the purchase. This documentation may include written or verbal quotes from vendors, a memo from the purchaser indicating how the decision was arrived at, a copy of the contract indicating the source which makes the item or service exempt, a memo from the purchaser detailing the circumstances which led to an emergency purchase, or any other written documentation that is appropriate.

SECTION 503. SECURING GOODS AND SERVICES. All goods and services will be secured by use of written requests for proposals, written quotations, verbal quotations, or any other method that assures that goods will be purchased at the lowest price and that favoritism will be avoided, except in the following circumstances: purchases contracts over \$10,000 and public works contracts over \$20,000; goods purchased from agencies for the blind or severely handicapped pursuant to Section 175-b of the State Finance Law; goods purchased from correctional institutions pursuant to Section 186 of the Correction Law; purchases under State contracts pursuant to Section 104 of the General Municipal Law; purchases under county contracts pursuant to Section 103(3) of the General Municipal Law; or purchases pursuant to Section 505 of this Part.

SECTION 504. METHOD OF PURCHASE.

(A) General. The following method of purchase will be used when required by this policy in order to achieve the highest savings:

Estimated Amount of Purchase Contract

Method

\$250-\$2,999

2 verbal quotations

\$3,000-\$9,999

3 written/fax quotations or
written request for proposals

Estimated Amount of Public Works Contract

Method

\$250-\$2,999

2 verbal quotations

\$3,000-\$4,999

2 written/fax quotations

\$5,000 and \$19,999

3 written/fax quotations or
written request for proposals

(B) Number of Proposals or Quotations. A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement.

(C) Documentation. (1) Documentation is required of each action taken in connection with each procurement.

(2) Documentation and an explanation is required whenever a contract is awarded to other than the lowest responsible offeror. This documentation will include an explanation of how the reward will achieve savings or how the offeror was not responsible. A determination that the offeror is not responsible shall be made by the purchaser and may not be challenged under any circumstances.

SECTION 505. CIRCUMSTANCES WHERE SOLICITATION OF ALTERNATIVE PROPOSALS AND QUOTATIONS NOT IN BEST INTEREST. Pursuant to General Municipal Law Section 104-b(2)(f), the procurement policy may contain circumstances when, or types of procurements for which, in the sole discretion of the members of the Agency, the solicitation of alternative proposals or quotations will not be in the best interest of the Agency. In the following circumstances, it may not be in the best interests of the Agency to solicit quotations or document the basis for not accepting the lowest bid:

(A) Professional Services. Professional services or services requiring special or technical skill, training or expertise. The individual, company or firm must be chosen based on accountability, reliability, responsibility, skill, conflict of interests, reputation, education and training, judgment, integrity, continuity of service and moral worth. Furthermore, certain professional services to be provided to the Agency, e.g., legal and accounting services, impact liability issues of the Agency and its members, including securities liability in circumstances where the Agency is issuing bonds. These qualifications and the concerns of the Agency regarding its liability and the liability of its members are not necessarily found or addressed in

the individual, company or firm that offers the lowest price and the nature of these services are such that they do not readily lend themselves to competitive procurement procedures.

In determining whether a service fits into this category, the Agency shall take into consideration the following guidelines: (a) whether the services are subject to State licensing or testing requirements; (b) whether substantial formal education or training is a necessary prerequisite to the performance of the services; and (c) whether the services require a personal relationship between the individual and agency members. Professional or technical services shall include but not be limited to the following: services of an attorney (including bond counsel); services of a physician; technical services of an engineer engaged to prepare plans, maps and estimates; securing insurance coverage and/or services of an insurance broker; services of a certified public accountant; investment management services; printing services involving extensive writing, editing or art work; management of municipally owned property; and computer software or programming services for customized programs, or services involved in substantial modification and customizing of prepackaged software.

(B) Emergency Purchases. Emergency purchases pursuant to Section 103(4) of the General Municipal Law. Due to the nature of this exception, these goods or services must be purchased immediately and a delay in order to seek alternate proposals may threaten the life, health, safety or welfare of the public. This section does not preclude alternate proposals if time permits.

(C) Purchases of Secondhand Goods. Purchases of surplus and secondhand goods from any source. If alternate proposals are required, the Agency is precluded from purchasing surplus and second-hand goods at auctions or through specific advertised sources where the best prices are usually obtained. It is also difficult to try to compare prices of used goods and a lower price may indicate an older product.

(D) Goods or Services Under \$250. The time and documentation required to purchase through this policy may be more costly than the item itself and would therefore not be in the best interests of the taxpayer. In addition, it is not likely that such de minimis contracts would be awarded based on favoritism.

SECTION 506. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN. (A) All Agency documents soliciting bids or proposals for Agency contracts shall contain or make reference to the following provisions:

1. The Agency will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. For purposes of this Section, affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation; and

2. The Agency shall state, in all solicitations or advertisements for employees, that, in the performance of the Agency contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(B) Any contract awarded by the Agency will include the provisions of Section (A) of this Section in any subcontract, in such a manner that the provisions will be binding upon each subcontractor as to work in connection with the Agency contract.

(C) The provisions of this Section shall not be binding upon contractors or subcontractors in the performance of work or the provision of services or any other activity that are unrelated, separate or distinct from the Agency contract as expressed by its terms.

(D) In the implementation of this Section, the Agency shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this Section. The Agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such law and if such duplication or conflict exists, the Agency shall waive the applicability of this Section to the extent of such duplication or conflict.

(E) The Agency shall ensure that “certified businesses” (as defined in Section 310 of the Executive Law of the State of New York) shall be given the opportunity for meaningful participation in the performance of Agency contracts and to identify those Agency contracts for which certified businesses may best bid to actively and affirmatively promote and assist their participation in the performance of Agency contracts so as to facilitate the award of a fair share of Agency contracts to such businesses.

SECTION 507. POLICY REVIEW. This policy will be reviewed annually.
