

Albany County Department of Health
2018 RABIES CLINIC SCHEDULE

The following series of Rabies Vaccination Clinics for dogs, cats, and ferrets has been arranged by the Albany County Department of Health in cooperation with the Capital District Veterinary Medical Society.

All dogs, cats, and ferrets must be on leashes or in carriers.

A record of prior vaccination will be required for a three year immunization-certification. If no record is presented, a one year vaccination certification will be issued.

All clinics are open to any Albany County resident.

Any inquiry can be directed to Division of Environmental Health Services (518) 447-4620 or (518) 447-4625.
